

The Fire Chiefs Association of Massachusetts (FCAM) has been in partnership with the Savvik Buying Group (Savvik) since 2021. Savvik is the nation's largest non-profit public safety Group Purchasing Organization (GPO), whose vast assortment of contracts and programs can assist you in saving time and money. All FCAM members can use as many, or as few, of these programs and bids as you like with no requirements, or charges of any kind for you.

These vendor contracts are already competitively bid and publicly awarded, so your agency avoids the bid process. **A portion of what is spent by our group using a Savvik contract comes back to FCAM, so every time you save time and money using Savvik you are helping our organization as well.**

To set up your login if you don't have one, please follow the below instructions.

Savvik Member Login Instructions to set up your username and password:

Go to <https://savvik.com>

Click on **JOIN Us** and follow the instructions to set up your personal Login.

Username; Your email address

Password; Your discretion

If you need help with your Savvik login or have questions if your agency is a Savvik member please reach out to Julie Fontaine, Membership-Association Specialist at jfontaine@savvik.org or 651-335-8286.

Please give these Savvik vendor programs a review!

Thank you,
FCAM
