Savvik Partnership with Fire Chief's Association of Massachusetts - FCAM

Savvik offers all FCAM members access to competitively bid and publicly awarded vendor contracts. When your department purchases from Savvik contracts, they give 1/3 of the vendor proceeds back to FCAM. Make sure when you are obtaining a quote or PO to give the Vendor Rep your Savvik member number. Your Savvik member number is what attaches you to the contract to avoid the bid process.

Savvik has over 100 Vendor programs with access to over 2 million products, an online store, and Savvik is a 5.11 National Distributor for uniform and gear needs. For a complete list of Vendors please login to the Savvik website, click on the **Vendors Tab**. To access the Savvik store, click on the **Savvik Store Tab** and search for products or categories.
