Join us for a special celebration of the 30th anniversary of our Fire Science program.

In the early 1980's, Boston was set ablaze. Two hundred sixty-four buildings intentionally set on fire, resulting in millions of dollars in damages and hundreds of injuries. Told from the perspective of the head ATF Special Agent in charge of the investigation, Wayne Miller, *Burn Boston Burn* is a tale of political deceit and internal corruption. This is the true story of the deep conspiracy of nine men, determined to wreak havoc on the city and the relentless investigators who uncovered them. The book details the series of crimes that shook the city of Boston and became known as one of the

A book-signing and reception will follow the lecture. All are welcome to attend.

The lecture series is the legacy of Edith Mooney LaVigne '63, beloved Anna Maria alumna and Trustee.
